61 **Treadmill**

Donated by Rebecca Loew and Paul Carmichael

Exercise in your own home!! Tired of wasting time driving to the gym? Want to go for a run but the weather is not cooperating? This barely used Proform treadmill comes with 22 workouts and 12 incline levels. Whether you need to slow down or you get the urge to sprint, you have complete control over your workout with just the touch of a button. Quickly change your speed or incline without breaking your stride or concentration. This treadmill is i-Fit compatible and it is convenient and easy to fold the deck up and the treadmill out of the way.

New owner is responsible for picking up the treadmill; we can help you connect to good-willed truck owners who may be willing to assist with the move, if needed.

Minimum Bid: \$50
